

To Whom it may concern:

Dr. Henry Migliore has worked with our Government Marketing Division of Canon, U.S.A., Inc. in developing a format and completing a five year business plan. Henry continues to be instrumental in assisting us in guiding our Corporate Office in Tokyo, Japan in having a unified world wide approach to long term planning.

Henry provides ethical, trustworthy approaches to strategic and business planning at a level that incorporates all facets of our organization. From our Product Marketing Department, Sales Teams, Administration and Billing, Bid and Contract Departments to our Senior Management, Henry's assistance has placed us on a track that will enable our company to objectively approach our market and include our profit objectives.

Henry's personal style and knowledge is extremely beneficial to me and our Government Marketing Division.

Sincerely,

CANON U.S.A., INC.
